

Mission and Values

North Olympia Fire District 7

Our Mission:

To provide effective and efficient fire and life safety services through emergency response and community services

Our Focus:

The department will focus its efforts on responding rapidly to emergencies, providing appropriate and effective intervention and community education; accomplished by a volunteer organization for the community we serve.

Our Core Values:

To Residents:

We will strive to provide the public within our district the highest quality level of service, characterized by responsiveness, integrity, and professionalism. We are dedicated to quality improvement through innovative training, financial stewardship, public education, and ready equipment with a focus on safety. Recognizing that we serve as role models in our community, we strive to be leaders in our profession and respect those we serve.

To the Department:

We will serve the North Olympia Fire Department with commitment and dedication. We will endeavor to promote teamwork, innovation and organizational effectiveness. We will adhere to policies, guidelines and procedure with integrity and honesty, to ensure safety and fairness.

To Each Other:

We are accountable to each other for sustaining an environment promoting trust, health, safety, harmony and respect. We are committed at all levels to productive teamwork, open and honest communication, and participative decision making.

To Ourselves:

We will pursue personal and professional growth. We are committed to our values and mission and challenge ourselves to achieve the highest professional, moral, and ethical standards. We will attempt to meet or exceed industry standards through continuous education, training and experience while maintaining a balance with our personal and professional lives.
